The Official Guide to Local Taxi Travel

RELIABLE. PUNCTUAL. LOCAL.

About Castlemaine Cabs

Our Mission

To provide dependable, courteous, and safe local transport that the people of Castlemaine and the wider Mount Alexander Shire can rely on, whatever the hour.

Our Vision

To remain the most trusted taxi service in the Castlemaine region, known for showing up on time, every time, and treating every passenger like a neighbour.

What Sets Us Apart

Genuine Local Knowledge

Our drivers know Castlemaine's laneways, the quickest route through Chewton and Campbells Creek, and the back roads to Maldon, Newstead, and Harcourt. No second-guessing, no unnecessary detours.

Part of the Community

We're a locally run service that supports local drivers. Every booking helps keep a homegrown business — and the people behind it — moving forward.

Honest, Upfront Pricing

You'll know your fare before you commit to the trip. No surprise charges, no inflated weekend rates — just clear, fair pricing every time.

On Call When You Need Us

Early goldfields walks, late trains from Melbourne, market-day pickups — our phones are answered and our cars are ready, across the full week.

Arrive Relaxed, Not Rushed

Castlemaine sits within easy reach of Melbourne, Bendigo, and Tullamarine Airport, and our transfer service is built around making that distance feel effortless. We track flight times and road conditions so your pickup lines up with your actual schedule, not just the timetable.

Whether you're catching an early international flight or arriving home late after a long trip, our drivers take care of the logistics so you can switch off for the journey.
